N. Knickerbocker 92, Died in Fla. Burial in Joliet

Mrs. Nellie M. Knickerbocker, 92, long a resident of New Lenox and later of Mokena, passed away Friday evening May 19, in the home of her daughter, Mrs. William R. Lynk in Flagler Beach, Fla., following a general decline of health.

Born March 24, 1858 in Massachusetts, she came with her parents Mr. and Mrs. Dwight Snow, to New Lenox township when she was three years old. Her parents settled on a farm near what is now called the Brick tavern on the Lincoln highway. There she was united in marriage April 8, 1874 to Mr. Mills Knickerbocker. They set up housekeeping on a New Lenox farm where two sons Guy and Max were born. They then moved to Florida where they lived for 14 years at Lawley. Two daughters were born to them in Florida. In 1894 they and their family returned to New Lenox and after the death of her husband in 1928 she made her home with her daughter, Mr. and Mrs. William Lynk.

When the Lynks moved to Mokena, where they lived for 14 years Mrs. Knickerbocker moved with them. During that time Mrs. Lynk was postmaster at Mokena for a number of years. Mrs. Knickerbocker was a staunch Republican and when the women first had the vote she helped get them to vote on election day.

In 1934, when the Lynks moved to Orlando, Fla., Mrs. Knickerbocker moved with them, enjoying the warm winter climate of that state the rest of her life.

Surviving beside Mrs. Lynk is another daughter Mrs. Earl Roth of Lockhart, Fla. six grandchildren and four great grand children.

Her two sons preceded her in death.

The body was sent to the Blood and Grand funeral home in Joliet where services were held Wednesday afternoon with the Rev. Kenneth E. Hansen, rector of the Grace Episcopal church at New Lenox, officiating. Burial was made in Oakwood cemetery.

ORLAND SCHOOL BOARD LISTS ADVANTAGES OF LARGER SCHOOLS

At a special election Saturday, June 24, the people of the Orland Park High School District No. 221 will be asked to vote on the question of consolidating the Orland and Palos high school districts. The Orland High school board has initiated action to call this election for two reasons: first, the enlargement of the local high school district is necessary for financial reasons as explained in this paper last week; and, second, it is the Board's judgement that a larger high school will be a better school.

The purpose of this article is to explain the Board's reasons for believing that a high school of 500-800 students is likely to offer a better educational program than a school of 150-250 students.

Seven reasons are offered for your consideration:

1. Most of the really fine teachers leave small schools and take positions in larger schools after one or two years instead of staying permanently in small schools. This makes it extremely difficult for a school under 500 students to build up a really outstanding faculty.

2. In a very small school, each teacher usually teaches several subjects, as, for example, English, world history, American history, civics and economics. In a larger school, this same teacher would teach the same number of classes daily but have only one or two subjects. That is, he might teach two classes in world history and three classes in American history. This arrangement allows the teacher more time for class preparation, and the quality of instruction is certain to be better.

3. A school with 150-250 students usually has an inadequate library and no trained librarian. This means that many of the books and magazines required for a good educational program are not available. Furthermore, the materials that are in the library may not be used much because no librarian is on duty to see that the books and magazines are readily accessible to the students when needed. Also, a good librarian stimulates children to read by constantly challenging them with good books.

4. Every small high school offers some courses in which only a very few courses are enrolled. For example, only five to ten students may take such subjects as advanced mathematics, foreign language, shorthand, and bookkeeping. It is

"The Circus! The Circus! The throb of the drum, a clatter of hooves and the band wagon comes!"

Yes, the stirring lines from this famous poem will be re-enacted next June 3, when the Cole Marionette circus comes to town bringing with it the first Free street parade to be shown with a circus for the past 30 years. There will be beautiful gilded cages of real wild animals, and a routin-toutin callope.

A special feature of the parade will be a costume contest, open to all school children. Prizes will be awarded for the best and most original costumes, stunts, decorated wagons or bicycles. Children are invited to join the parade and have fun!

The parade will be held at 10:30 a.m. Circus performances will be presented in the Big Top at 2:00 p.m. and 8:00 p.m. on the circus grounds in Memorial park.

A big surprise is in store for all the old timers who think of the present day circus. "See one and you've seen 'em all", for the Cole Marionette circus is one in which the performers, animals and otherwise, are large marionettes (controlled by strings from above). One may see a puppet elephant which is LARGER than a real life-sized baby elephant—then again see a puppet driving a replica of an old Model T Ford, all around the hippodrome track (of course he has trouble with it starting, but that's all a part of the show.—There will be beautiful trapeze girls, horses, clowns, clowns and more clowns! You will be thrilled, excited and entertained at the grand performance of the worlds largest Marionette circus. No one will want to miss the Cole Marionette Circus!

Seek to Sell Water Plants at New Lenox, Oak Forest and Other Properties

Miss Rosemary Archibald who won many honors at Illinois University.

A petition was filed about three weeks ago by the Suburban Water company with the Illinois Commerce Commission, seeking the Commission's approval of the sale of their six water plants, to the Illinois Municipal Water company, 135 S. LaSalle street, Chicago. The price to be paid is \$52,500 cash.

The petition also seeks to raise the water rates from 44 cents per 1000 gallons to 75 cents net per 1000 gallons, with a minimum quarterly charge of \$7.90 gross or \$7.50 net. Water users average about 4000 to 5000 gallons per quarter and therefore regard this minimum charge exorbitant.

The South New Lenox Improvement association will contest this increase rate. The Suburban Water company has not complied with the order of the Commerce Commission dated January 11, 1949 requiring a new well to be drilled at New Lenox and complete pumping equipment installed.

The next hearing on the case will be June 13 in the Commerce Commission offices at 160 N. LaSalle, Chicago at 10 a.m.

Notice: Advertisers And Correspondents

Due to the fact that this newspaper's office and plant will be closed Tuesday, May 30 for Memorial day, correspondents and advertisers are asked to get their copy in at least one day ahead of usual.

New Lenox Woman Found Dead in Home

Miss Frieda Stuttmann 64, died suddenly in her farm home near New Lenox Monday. Living alone, she was found by her neighbor Mrs. Ethel Hafka.

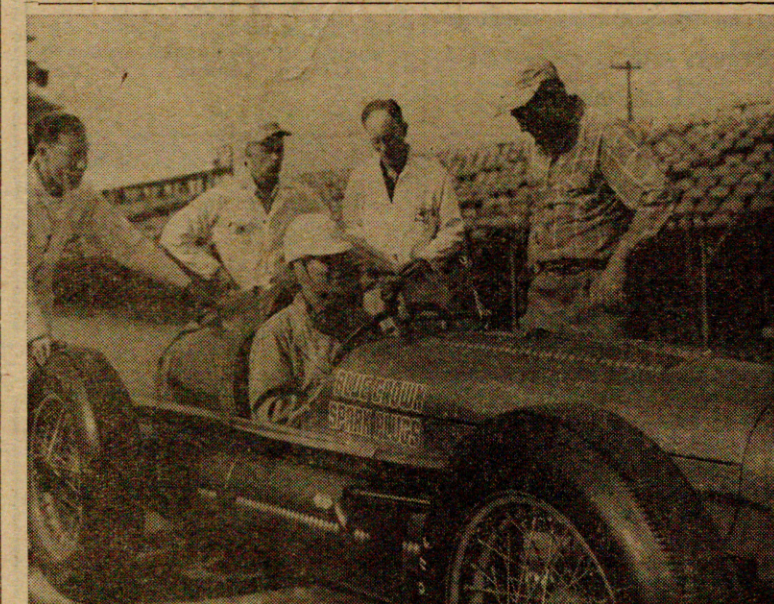

Miss Stuttmann had been under treatment for the past two years for a heart ailment. She is the last of her immediate family, having only a few distant relatives surviving. She was born in the same house in which she lived all her life and died.

Funeral services were held yesterday afternoon in the Harris funeral home in Joliet with the Rev. Leonard Reinke, pastor of the New Lenox Trinity Lutheran church officiating. Burial was in St. Peter's Lutheran cemetery in Joliet.

NOTICE

The Mokena Rock Island station is closed Saturdays, Sundays and holidays. There will be no one to take care of your wants on these days, unless arrangements to the contrary are made in advance.

MOKENA-NEW LENOX VFW TO HOLD MEMORIAL DAY SERVICES TUES.

Both Posts Have Planned Interesting Programs To Honor Their War Dead

The Harry E. Anderson VFW Post No. 9545 and their Auxiliary will sponsor Memorial Day observance in New Lenox next Tuesday.

Everyone is invited to meet at the Methodist church where the parade will be formed, leaving there at 10 a.m. They will proceed south to Second avenue, west to Pine, south to Haven, east to the church again, south to route 30 thence to the cemetery. Here services will be held over the grave of one of the soldiers. The speaker will be Captain Carlton Cole, mayor of New Lenox.

In the parade will be Boy and Girl Scouts and Brownies, 4H members, riding club, the band and the Gold Star parents will ride in an open convertible.

The VFW will decorate all veteran's graves. Everyone in New Lenox is urged to attend to pay homage to those who made the supreme sacrifice.

4H Club Plans for Achievement Day

The Mokena Jolly Troopers 4-H club met in the home of Dorothy Kohl, Monday, May 15, the meeting opened with the 4H pledge and the members answered roll call with suggestions for trips related to the individual projects.

A committee was appointed to contact a bakery concerning a trip for the club. Another was appointed to plan a booth for Achievement day to be held in Joliet August 3. Project cards were given to the members.

Several demonstrations were made by the members. They included foot exercises, measuring dry ingredients, Marilyn Cooper; making frosting, Charlotte Armin; making a cake quick-mix method, Dorothy Kohl and Dolores Cooper; and refrigerator cookies, Eleanor and Joan Larimore. After the demonstrations the members enjoyed refreshments.

Celebrate Silver Wedding Anniver. With Gift to Church

On the occasion of their twenty-fifth wedding anniversary, May 17, Mr. and Mrs. Roy Kropp presented a gift of chimes to St. John's Evangelical and Reformed church of Mokena for their newly rebuilt pipe organ. The gift was made in appreciation of their own happy years together and in memory of their parents, Mr. and Mrs. E. P. Kropp, and the Rev. and Mrs. William Kreis.

The Rev. Kreis was pastor of St. John's church for several years. Mrs. E. P. Kropp was the church organist for many years, and a life long member of the church. Her father had also served as pastor of St. John's.

On their wedding date, Mr. and Mrs. Kropp enjoyed dinner in Chicago, and attended the stage play, "Lend An Ear." They entertained at a family dinner on Sunday. The guests were Mr. and Mrs. Arthur Kreis and family of Joliet, Miss Huerta Packard of Chicago, and Mrs. William Kreis, Mrs. Kropp's mother, who lives here.

J. T. H. S. Grads From Mokena-Frank.

Several students from Mokena and Frankfort are graduating from the Joliet township high school this year. Ivy day, baccalaureate services and the graduation exercises will be held June 7-9.

The Mokena graduates are Lois Bell, Robert Bell, Janita Brueser, Carole Carpenter, Anita Geuther, Charles Holm, Dorothy Kohl, Robert Kreml, Joan Luplow, Charles Manhart, Donald Olson, Alburn Steele, Ursula Thiel and Ralph Yunker. James Gillette, who completed his course in February, will also receive his diploma at this time.

The students from Frankfort who are graduating are Joyce Bauch, Udell Gay and Yvonne Genens.

V. F. W. Aux. News

The regular card party will be held in the VFW hall on Wolf road on Friday night, May 26. Games start at 8:30 p.m. and the following members will serve refreshments. Mrs. Amanda Schult, chairman, Mrs. Evelyn Sarella, Mrs. Olive Williams and Mrs. Elsie Genens. The public is cordially invited to attend.

Members are asked to meet at the VFW hall on Sunday afternoon May 28 at 2:30 p.m., from where they will proceed by car to the Frankfort cemetery, where Memorial services will be held at the grave of Mrs. Mary Genens, last deceased member of the Auxiliary. Flags and plants will also be placed on the graves of all deceased members.

Officers, in uniforms, and all other members are asked to be present at the Memorial Day service that will be held in the hall at 10 o'clock Tuesday, May 30.

The regular meeting of the Auxiliary will be held Thursday evening June 1 in the hall at 8 o'clock. All members are urged to attend.—Mary Clark, Pub. chairman.

Mokena will observe Memorial Day Tuesday, March 30.

The members of the William Martin VFW Post No. 725 who are sponsoring the services for Memorial Day, hope they will have a large turnout as this is the first year for such an occasion to be held in their new hall which they have worked long and hard to get.

Mr. Glenn Peterson, commander, is proud to present a speaker who will have an interesting and vital message for such an event. He is Mr. Elmer W. Rowley, dean of the Joliet Junior college.

The program will open at 10 a.m. sharp with the posting of the colors; Fr. J. Freitag of Mokena will give the invocation; pupils of the Mokena public school, under the direction of Principal Elizabeth Cappel will render two songs; the Mokena band will play.

Miss Dolores Cooper will give a piano solo "Valse Arabesque"; Norval Robinson will read the roll call, which will be answered by a roll on the drum and the placing of a flower for each deceased veteran. Marilyn Cooper will sing, "My Buddy"; the school children will sing "God Bless America" and Rev. William Riemann will close with the benediction.

Following the program in the hall, a line of march will form, first going to the Memorial cemetery to the grave of A. Denny, Revolutionary War soldier, then to the Veteran's plot in St. John's cemetery for a brief memorial service.

This coming Sunday morning the Boy Scouts and the VFW members will, starting at 9 o'clock, decorate each veteran's grave in the three Mokena cemeteries.

Thus will be kept alive the valiant deeds of those who gave their lives that we may live in a country blessed with freedom, happiness and plenty.

Will we do our part by attending such a memorial service?

Frankfort-Mokena Home Bureau Meets

The Frankfort-Mokena unit of Home Bureau met Tuesday beginning with dessert-coffee at the home of Mrs. Roy Kohl.

Four guests, Mrs. Harry Aggen, Mrs. E. Hinspeter, Mrs. Ray Westlund and Mrs. Eino Saarela were present. Mrs. Westlund and Mrs. Saarela became new members. Mrs. H. Luplow, membership chairman, announced an increasing number of points in the membership contest. The County membership tea will be held at the new American Legion hall in Manhattan June 3.

Mrs. Betty Wingrove, Home Advisor, gave the major lesson on Wall Treatments. Many types of wallpaper, wall boards, wall linoleum, fabrics, plastic, cork and leather wall finishes were used as illustrative material in the lesson. Examples of the newest color schemes in rooms were also shown. "The Easy Zipper", the minor lesson, was demonstrated by Mrs. Lawrence Kohl.

Mrs. George Elsner was chosen to attend the leader training school, on Growing Old Graciously at Joliet, June 2.

Mrs. Elsner, social chairman, announced the June family party to be held with Mr. and Mrs. Robert Nieman, Friday evening, June 16. The chairman, Mrs. Louis Holm, was presented with a traveling Home Bureau president's pin. Announcements were made of the county folk festival for July and county Sports festival for August.

The next meeting will be held June 25 at Mrs. Louis Lauffer's home with Mrs. Elmer Bormet and Mrs. Robert Nieman giving the major lesson. Mrs. Wm. Batson will give the minor lesson on Health. An item forgotten in last month's news was that two donations to the Hollywood breakfast held at Joliet recently, of five dollars from the unit and hand etched aluminum tray by Mrs. Geo. Elsner.

New Lenox Man Home from Sanitar.

Robert Gillette of New Lenox who entered the Will County Sanitarium 13 months ago, returned to his home in New Lenox Tuesday, a well man.

During the time of his illness he underwent two serious lung operations which, although trying, hastened his recovery. He was a plucky and hard fighting patient which has returned dividends to him by regaining his health.

His wife and children, beside his many other relatives and friends are happy to welcome him home. After a recuperating period of several months at home he will return to his work.

Edith Newton and Harold Krobbe Wed

The wedding of Edith Newton of Mokena and Mr. Harold Krobbe of Sycamore, has been announced this week. The wedding took place Sunday afternoon at 2:00 o'clock in a church parsonage at Crown Point, Ind. Attending them were Mrs. Carol Nichols and Walter Edwards of Mokena.

After a short honeymoon they will go to house keeping at Sycamore where the groom is engaged in farming.

LOCAL MEN ON BOARD OF DHIA

Approximately 100 interested dairy men and their wives attended the first annual meeting of the Will County Dairy service held last Tuesday night at the Sportsmen's hall in Manhattan.

A fine movie, secured through the courtesy of Loren Carver and the Babson Manufacturing company, showed "Correct Milking Procedure."

Reports on the past fiscal testing year were given by the testers, Elmo Saarela and Chris Madison.

Elected to the board of directors for the coming year from DHIA Association No. 1 were George Beutel of Mokena, and Walter Lauffer, Tinley Park; from Association No. 2, George Bovee of Manhattan and Julius Sewing of Elwood. Owner-Sampler cooperator representatives on the board will be Ralph Klett of Joliet and Lester Schroeder of Peotone.

Representatives of the Harvester Company were present and gave an excellent discussion concerning the merits of the Harvester.

Officers and testers indicated that there was room for several more co-operators in both Dairy Herd Improvement Association and Owner-Sampler testing. In fact, there should be a third DHIA Association.

Only one out of every nine dairymen in the county is now making use of the testing work sponsored by the Will County Farm Bureau in cooperation with the Extension Service of the University of Illinois.

Anyone wanting more detailed information is urged to contact either of the testers, the above named officers, or the Farm Adviser.

IMPROVED CUTTING, THRESHING, SEPARATING AND-CLEANING PERFORMANCE

The MM Harvester, the original lightweight big-capacity combine for all crops, still leads the field ... every step of the way. In cutting the grain, it has proved year after year that it can save the crop under conditions where other methods failed. In threshing, the MM rasp-bar cylinder has proved itself a superior threshing mechanism, thoroughly breaking the seed pods without damaging the most delicate seed or beans. MM Harvesters give you big separating capacity with their pitching, tossing, backward and forward motion. MM exclusive grain-pan design assures better cleaning-shoe performance, and the MM triple action cleaning-shoe and V-belt driven cleaning fan work together to provide top performance in cleaning all grains and grass seed crops. If you haven't a Harvester, it will pay you to see us now about this most modern of all combines.

"What's fertility-level check planting, and why will it give me more corn and fewer nubbins?" a fellow asked me one day.

"Well, you know, an ordinary planter checks either 2, 3, or 4 kernels per hill—7,840, 11,760, or 15,680 kernels per acre. But suppose your soil's fertility level requires a kernel population somewhere between those figures?"

"Right now, I'm just out of luck," he said.

"No, you're not. With the new, high-speed, clutchless McCormick 'population planter', you can plant somewhere between those 7, 11, or 15 thousand. There are 18 different speeds to give you any in-between rate. And you can drill or hill-drop to any per-acre population, too."

"Sounds good to me ... and I like the planting units in front, too, where I can watch them and the marker-track at the same time."

"To say nothing of handy fingertip Farmall Touch-Control to lift and lower the planters," I reminded him.

"From now on it's more corn and less nubbins for me, too. Order me a Farmall C corn planter right now!"

Easier Maintenance

one more reason why John Deere is first choice of the tractor-wise!

You'll never know how much easier it is to keep a John Deere Tractor in top condition until you own one.

Adjustments are fewer; parts are more accessible; maintenance is far easier ... far more economical. Much of the servicing can be done right on the farm without outside help. The clutch, for example, can be adjusted in five minutes or less; clutch facings replaced in less than fifteen minutes. Brake, steering, and other adjustments are quickly and easily made.

This easier, more economical maintenance is due to the greater simplicity and easier accessibility of John Deere 2-Cylinder Tractors.

You'll find maintaining a John Deere Tractor over the years is easier and costs less than any other tractor on today's market. See us for complete details.

In addition, John Deere Tractors offer:

Wheat Allotments For New Farms

The County PMA Committee is now undertaking the preliminary work in connection with 1951 wheat allotments. As provided by law, a regular allotment will not be established for a farm on which no wheat was seeded for harvest in any of the years 1948, 1949, or 1950.

However producers on farms on which no wheat was seeded the last three years may apply for a 1951 wheat acreage allotment, according to Conrad Borms, chairman of the Will County Production and Marketing Administration. To be considered

for a new wheat farm allotment, the producer must apply in writing to his County PMA committee, 157 N. Ottawa St. by June 9, 1950, on a special application form available at the County PMA Office.

However, the total amount of the wheat allotments which can be granted to new farms in the county is quite small. Allotments determined for such new farms will be at the expense of the established old grower who is asked to reduce his acreage. For this reason, Mr. Borms explained, only requests showing unusual conditions which make the growing of wheat necessary in the farming operations can be considered.

God Has a Plan

Lesson for May 28, 1950

GOD HANDS DOWN no blueprints. He never yet has been willing to save any man the trouble of thinking. The Bible is God's guidebook, and in it is revealed God's will. But it is not a guidebook of such a sort that you can take it from the shelf and look up in it the answer to every one of your problems in detail. Nevertheless the Bible is a guide, "the infallible rule of faith and practice" as some churches express it.

God's will is shown there plainly enough so that we can know whether we are building on the right foundation or not.

Sins Into The Sea

NOW THE PLAN of God is so simple, that is, it can be so simply expressed, that one is almost tempted to say, "Oh, that!" as if it were something we knew already. Well, we do know it. But the thing is, we don't do it.

Part of God's plan for mankind, a very important part, in fact indispensable—something the Bible talks about from the beginning to end—is this: The forgiveness and the destruction of sins. (Micah 7:18-20.) Now everybody can see others' sins.

The Romans used to say that every man carries others' sins in a bag in front of him where he can see them very well, but his own sins he carries in a bag hanging down his back where he cannot see them.

We are all in favor of other people's forsaking their sins. But how about you? The world does need to confess its sin; but you need to confess your own. No sins walk by themselves; sins exist only in sinners. Sin does not commit itself. Sin is something a sinner does. We shall never get rid of sins by exhorting other people. We get rid of them by repenting in the presence of God and receiving his forgiveness.

It is always so easy to think: If we only had a good society we could have better people. That is backing into an idea the wrong way. The right idea is: If we have better people we shall be on the way to the good society.

If Not Peace, Then What?

WE ALSO KNOW something about God's plan for society at large. The Bible does not leave us in the dark. One thing that Micah brings out is the ideal of peace. (Micah 4:1-5.)

So long as we are making war, preparing for and expecting war, doing or saying things that make war inevitable or even likely, we are out of line with the will of God. Conversely, whatever we do to foster peace is in line with the plan of God. War was bad enough in the days of Micah; it is incalculably worse today.

War always was the effect and cause of hate, it always brought suffering and death, war seldom settled anything. But this is the atomic age. Dean Rusk of the U.S. state department has said that in all present-day discussions we have to remember one solemn fact: The human race now has in its hands the means of its own total destruction.

Any war nowadays is a war against the whole human race, for any large-scale war with atomic weapons may well make the entire globe uninhabitable by man. A voice for war is a voice for universal death.

Christ The King

SINLESS MAN in a warless world: such is God's plan. Is this possible? Only on one condition; that Christ shall be king. (Micah 5:2-4.) This has two meanings, one far-off, and one near; one complete and one partial. The far-off, completed meaning (which may be nearer than we think) is that after the history of this planet is over and done with, in the "new heavens and the new earth" the final destiny of God's people is to live under the Lord Christ as leader and king.

The nearer, here - and - now meaning of Christ's kingship is this: Wherever, in the plans of men, the spirit of Christ, his way and his ideal, are being trampled on or ignored, there God's plan is forgotten and there disaster is certain.

But wherever the spirit of Christ is in control, there God's plan is being carried out and there the Kingdom of God is coming nearer.

Weekly Corn Borer Reports Start Sun.

Illinois farmers will receive the first 1950 weekly report on the corn borer situation early in the week starting Sunday, May 28, announces G. C. Decker, insect specialist in the Illinois College of Agriculture and Illinois Natural History Survey. These two agencies are cooperating again in putting out about 14 weekly reports between May 28 and about August 15. They will tell you when to spray, and what dosage you should use, and will keep you posted on the latest corn borer developments in your area.

You can hear the reports on local radio stations or read them in daily

papers. A faster system has been worked out this year for broadcasting or printing them so that they will reach farmers by Sunday or Monday each week.

They are written only one or two days before, on Saturday, from reports by about 40 farmers and roving observers all over the state. Each report covers the week starting Sunday, the day its issued.

Spraying often saves enough corn to pay for the cost of treatment. Decker says one spraying with DDT, properly timed and applied, will kill off 50 to 70 percent of the borers. In fields that are moderately to heavily infested, this degree of control may mean 5 to 10 more bushels of corn an acre. Each extra spraying seems to cut the remaining borers by about 50 percent.

But speed and exact timing of the spray are mighty important for best control of borers. One day too late may mean it's worthless to spray. You can learn the exact time of the borer reports from your radio station or farm adviser.

Cattle that have been brought up to a full feed may be expected to eat about the right amounts of grain from a self feeder, according to University of Illinois beef specialists.

Fifth district treasurer, Ruth Goddard, and fifth district secretary, Cordella Masur were also present. Marie Ambrose, fifth district past president, installed Fern Luther, as treasurer; Josephine Sayers as chaplain; and Loretta Cory as two year trustee, being they were unable to attend the installation held recently. Two delegates, Marilyn Johnson, and Madeline Verderber were chosen to accompany President Naomi Butzen to the department encampment at Rock Island, June 16, 17 and 18. Plans were also made for the Memorial Day parade.

Mrs. Walter Hamilton and son Russell will leave June 1 for Colonial Hudsons Country Kitchen, in Littleton, Colorado where they will spend three weeks. They will also visit with friends in Denver and Colorado Springs.

The New Lenox Woman's club met Tuesday May 16 in the home of Mrs. Aurelia Bruns, with 10 members present. Mrs. Alfred Emiley conducted the meeting and routine reports were given by the various officers. Election of officers was held and resulted as follows: Mrs. Emiley re-elected president; Mrs. Aurelia Bruns, vice president; Mrs. Herbert Duerr, secretary; and Mrs. Arthur Hendrickson, treasurer. Mrs. Hendrickson was in charge of the program after the meeting. Mrs. Clementine Hendrickson, co-hostess, assisted Mrs. Bruns in serving refreshments.

Fourteen members and ten guests of the PTA Homemakers group enjoyed a trip to Chicago last Thursday. A bus was chartered which left New Lenox at 6 am. First the group visited the Breakfast Club program, and then the Stump-U program on WLS at 10 o'clock. Mrs. Sam Carr was lucky in stumping the Buccaneers and won some Nylon hosiery. The group then went to the Garfield Park conservatory where they enjoyed the spring flower show. After attending the WLS Dinner Bell program they went to Chinatown where they enjoyed their dinner, and visited the lovely gift shops. They returned home by way of the Lake Front. The next Home makers' meeting will be held June 15. Mrs. Carr will have charge of the meeting, and Mrs. Fern Luther will give a lesson on tatting.

Memo to Husbands

My husband did a double take last Monday when he came home and found me writing sonnets to our gas water heater. He said he knows it's wonderful having all the hot water we ever need...he thinks automatic control that keeps all the water hot all the time is out of this world, too. But after all, says My Man, poetry is going a little far.

Then I explained...the laundry has gone like a breeze now I don't have to wait for water to heat. I told him about dishes that sparkle and shine when washed and rinsed with really hot water. I mentioned in passing how much faster and easier all housework is now we have our automatic gas water heater. And I reminded him of his happy showering with abundant hot water. But I really scored a point when I said I think the speed of our gas water heater is a minor miracle.

At that, Friend Husband took up pencil and pad and turned poet himself. It isn't really necessary to pamper a modern automatic gas water heater with praise...but get one yourself and see if you don't get into the mood.

Brownie Scout troop 99 had their "Fly-Up" day Wednesday afternoon in the Methodist church dining room, when the girls as Brownie Scouts became Girl Scouts. Mothers of the girls, and members of Intermediate troop 98 with their leader, Mrs. Beverly Vally, were guests. Mary Lou Gleason gave the Welcome to the mothers, and Mrs. Rhody Gleason the response. During the Investiture ceremony each girl lighted her candle from the Candle that represents the girl scout promise. Mrs. David Bruns, leader, presented each girl with the Girl Scout pin and Brownie Wings. Mrs. Gleason, co-leader and the committee mothers, Mrs. Clarence Batson, Mrs. Amos Bruns, Mrs. Charles Carahan, and Mrs. Alfred

Girl Scouts

Troop 96 met last Tuesday in the school, when plans were completed for their Mothers tea, that was held Sunday. Refreshments were served by Gail Heptig, Linda Gay, and Gloria McCoy. The girls went into their patrols and took attendance and dues. Mrs. Robinson's patrol practiced for their camping skit, and Mrs. Heptig's patrol planned the table decorations and refreshments for the tea.

Troop 98 met Tuesday afternoon in the Methodist church. The afternoon was spent in making Sit-Up-

ons in preparations for day Camp and Troop camping.

Brownie Scouts

Brownie troop 97 entertained their Mothers at a Tea on their last meeting day of the year, Friday afternoon in the church dining room. Tea and coffee were served from a table laid with a white linen cloth and floral centerpiece. Guests of honor, Mrs. Vera Nushaumer, who is neighborhood registrar, and Mrs. Ernest Hoefler, neighborhood Scout chairman, poured. Many of the children mothers were present. The children entertained with folk dances and songs to entertain their mothers. Camp register cards were passed out at this meeting.

Brownie troop 100 met Friday in the Methodist church. The meeting opened with the Brownie promise and songs. The girls turned in their cookie sales money, and returned their day camp cards. It was decided to give \$3 of their money to the Cancer fund. The last meeting of the year will be held this week Friday, and the overseas kits will be finished and packed at this meeting. Troop leaders are, Mrs. Beulah Erikson and Mrs. Hazel Rowsell.

The members of the Methodist church bowling league enjoyed a pot luck supper in the church dining room Monday night.

Don't forget the June frolic dance to be held Saturday night, June 3 in the local school auditorium, being sponsored by the Episcopal church.

Mrs. Norman Roth has returned to her home from Silver Cross hospital.

She Rowsell, Jimmy and David Johnson have recovered from the mumps.

A few members of the Woman's Guild of the Episcopal church will go to Pontiac today to attend the United Thank offering meeting.

Mrs. Lella Baers is visiting with the Earl Roth family in Orlando, Fla.

David Erikson and Judy Christianson have been confined with the whooping cough.

Mrs. Arthur Rowsell was ill in her home last week.

Mr. and Mrs. Ralph Cagwin and Merritt Cagwin of Lockport were guests of Mr. and Mrs. Len Anderson and family last Thursday night.

Mrs. Robert Darling has returned from Milwaukee, Wis., where she spent three weeks with her brother Floyd Bastin who has been seriously ill in the hospital there.

Mrs. Earl Robinson entertained her Gin Rummy club last Friday night. The early part of the evening was spent in watching television, after which gin rummy was played. Prizes were won by Mrs. Harold Fuhrman and Mrs. Arthur Hanson. Luncheon was served after the games at one long table centered with a floral bouquet. The club made plans to attend the play Oklahoma May 25 in Chicago. Other guests were Mrs. Willard Ashenbrenner, Mrs. Leslie Hines, Mrs. Arthur Emery, Mrs. Don Freckleton and Mrs. George O'Reilly.

Mrs. Christine Becker was hostess to the members of her pinocle club in her home last Wednesday night. Prizes were won by Mrs. Earl Robinson, Mrs. Roy Dowel, and Mrs. Charles Werner. A guest prize was presented to Mrs. Walter Bernard. A birthday cake in celebration of Mrs. Werner's birthday centered the table. Mrs. Robinson will entertain the club next.

The Girl Scouts of Troop 96 en-

terained their mothers at a Mothers Day tea Sunday afternoon in the scout cabin in the camp grounds. The flag ceremony was given with Mary Jane Snick as flag bearer; Caryl Robinson and Virginia Donaldson were guards for the American flag; Ardis Batson carried the troop flag; and Paula Goldschmidt and Judy Lane were color guards. Mrs. Robinson's patrol entertained with a camping skit entitled "A Day at Camp." Movies were shown on Day Camp, taken at Highland Park in 1947, by Mrs. Robinson and also on a film taken 10 years ago at an established camp in Highland Park. The girls all received membership stars and membership cards and badges. The latter were for folk dancing, and good grooming good housekeeping; cat and dog; cooking; aviation; design; mammal; in-

terior decorations and sewing. Refreshments of punch and cookies were served from a beautifully decorated table. Girls of the troop taking part were: Ardis Batson, Joan Batson, Patsy Gilgen, Judy Lane, Paula Goldschmidt, Virginia Donaldson, Gloria McCoy, Ferol Redman, Mary Jane Snick, Sonje Hallgren, Judy Novak, Carol Stockley, Shirley Tarrant, Linda Gay, Eleanor Hammond, Gail Heptig and Caryl Robinson.

Approximately 15 mothers of the girls attended the tea as well as the troop committee members, Mrs. Glenn Donaldson, Mrs. D. A. Snick, Mrs. Howard Lane, and chairman of the troop committee, Mrs. F. E. Nushaumer.

Miss Anita Andres, fifth grade teacher at the local school, and Mrs. David Bruns, Brownie Scout leader of troop 99, attended the Troop Camp licensing course sponsored by the Joliet Girl Scout council at Channa-Chalet over the past week end.

The Altar and Rosary society of St. Jude's Catholic church met for their regular monthly meeting Tuesday night in the new school hall.

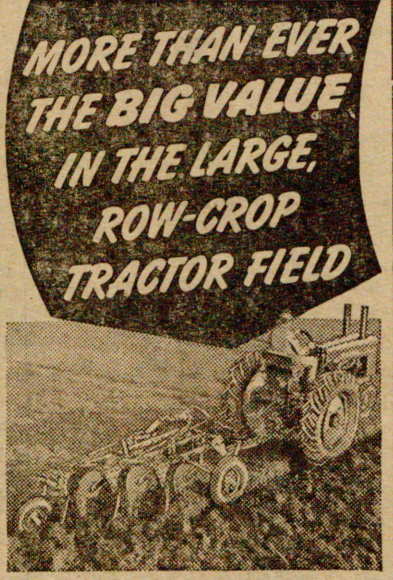

The executive board meeting of the Alar and Rosary society of St. Jude's church was held May 16 in the home of Mrs. Walter Bernard on Lincoln highway. Dessert-coffee was served by the hostess after which a short meeting was held. Plans were made to hold a parish dinner June 6, to discuss the Cathedral fund drive. Speakers for this dinner will be announced at a later date. A picnic was planned for the Cathedra class to be held at the new school grounds May 27, with Mrs. Larry Surges chairman in charge. A letter was read from the Council Women of Joliet inviting the parish women to their meeting May 23 in St. John's hall in Joliet. Mrs. Bernard presided at the coffee urns. Board members attending this meeting were, moderator, Father Dennis, Mrs. Agnes Bernard, Mrs. Alice Archibald, Mrs. Ione Zusag, Mrs. Mary Greenman, Mrs. Helen Martin, Mrs. Pat Merfeld and Mrs. Margaret Carahan.

The parishers of St. Jude's church held a meeting Tuesday night in the new school hall, to make plans for the annual picnic that will be held sometime in August. Another meeting will be held tonight when the date for the picnic will be set.

Mrs. Fannie Hacker underwent surgery last Saturday morning in Silver Cross hospital, Joliet.

Mr. and Mrs. Edward Lockhart are the parents of a son born Sunday morning May 21 at Silver Cross hospital. The new baby, who weighed seven pounds and 12 1/2 ounces has been named Donald Lee.

Mr. and Mrs. Earl Schroeder and daughter Lynn returned home Wednesday night from Brownsville, Ind., where they spent a few days with Mr. and Mrs. Lorel Ross and children.

...the NEW JOHN DEERE Model "G"

Just consider a few of the many big-value features a John Deere Model "G" offers you—new deep-cushioned seat, roomier platform for increased comfort, built-in starter and lights, hydraulic Power-Trol, and many others. Add the time-proved advantages of John Deere two-cylinder engine design—economy, dependability and long life. You'll agree—no other distillate-burning tractor matches the new "G" for the large row-crop farm. See us for complete details.

FARM EQUIPMENT

Here's a cultivator that can be attached to a
Ford Tractor in not much over one minute.
And, with Hydraulic Touch Control to
lift it and the Ford Tractor's short-turning,
you can turn quickly on the row ends.
You're well along with the job before the
other fellow is started.

Let us show you how to knock out weeds
... without knocking yourself out, too.
Cultivator is strongly made and comes
with rigid or spring shanks. See it!

An ad on value

The other night at our place, some folks were making small talk about "valuable" things.

"I guess my fur coat is my most valuable thing," one lady offered.

"My great-great-grandmother's chest of silver," another said.

One of the men allowed that his most cherished possession was a camera given him by an old Army buddy.

My wife thought a bit, then said:

"I have something that serves me 24 hours a day with no vacations, no time off, no complaints. It runs my errands, helps with my shopping, does a thousand and one things quickly and quietly—and costs only a few nickels a day."

Everybody looked at me.

"No," my wife smiled. "I don't mean my husband. I mean my telephone. Nothing I have gives me so much value for so little cost."

We all agreed she had an excellent point.
